Dear Mr. Malone:

On behalf of the Board of Directors and staff of Miami Bridge Youth and Family Services, Inc., I'd like to extend our sincere appreciation to you and the firm of Freidin • Dobrinsky for the firm's generous gift of five computers cpu units, monitors and keyboards to support our services for at-risk youth. We are grateful for your support and commitment to our mission to assist vulnerable children.

As you know, at Miami Bridge, we provide warm shelter, nutritious meals, health care, counseling, formal education, and recreational programs to the runaway, homeless, abused and neglected children in our community.

During the coming year, we anticipate providing such services to more than 800 children, who, but for our shelters, would be left to fend for themselves. We also provide immediate and intensive intervention and case management counseling services to address the needs of families in crisis. We strive to preserve the unity and integrity of the family and to emphasize parental involvement in addressing remedies to promote positive youth development.

Once again, thank you for your contribution and for the key role you play in our Champions for Children Network.

Sincerely,

  
Stephanie K. Solovei, MSW
